The **MOR-MUSIC Systems** is a powerful entertainment solution designed for hotels, restaurants and nightclubs. The system is used to manage music and video content and can allow guests to select music through its touch-screen jukebox interface of their mobile devices. MOR-MUSIC supports music, videos and karaoke content and comes with an extensive library which is expertly curated for any occasion.

KEY FEATURES OF THE SYSTEM

One single unit can be programmed to perform many different functions including:

It's a **BACKGROUND MUSIC SYSTEM** like *Stingray channels on cable*, only better. You have full control over what is played and can include your own ads.

It is an **INTERACTIVE DJ JUKEBOX** ideal for regular entertainment or themed events like Retro or reggae nights. We have created 100's of playlists and DJ mixes for you.

It's a professional **KARAOKE SYSTEM** that can be guest operated or managed by a host. With a wide selection of MX-Tracks allowing singers to turn lead vocals on and off.

Each system comes with built-in **PA and MULTIMEDIA capabilities** that are ideal for presentations. Ideal for Corporate events, Christmas functions, parties, weddings, etc.

What sets us apart from any other systems is how easy it is to operate and our engaging content.

Other features include:

- **NO RISK:** Allow us to provide a **FREE DEMO** of the system to see if it works for you.
- **Search:** Allows guest to choose approved content from the system.
- **Content:** Large library of quality tracks with unique sing-along content.
- **Integration:** Carries a small footprint and can be easily integrated with the existing equipment
- **Multi-media support:** Plays music, video and karaoke and connects to multiple video screens.
- **Remote Management:** Allows you to manage the entire system off-site.
- **Scheduling:** Allows you to pre-programmed entertainment format weeks at a time.
- **Advertising:** Allows you to promote events or drink/food specials on the screen.
- **Support:** Working with your team to create memorable occasions for your guests.

We will be happy to meet with your team to discuss how MOR-MUSIC can enhance the quality of your events. For more information contact **Colin Mora** at 1.246 247-3768 (mobile/whatsapp).
